On September 26, 2000, pursuant to Application No. C-2369, Utility.com, Inc. (Utility.com) of Emeryville, California, was granted authority to operate as a resale common carrier of telecommunications services within the state of Nebraska.

On March 19, 2001, the Commission received a letter from Utility.com requesting that their certificate of operating authority be canceled. Utility.com ceased providing service on February 23, 2001, prior to which notice was provided to all long distance customers. Utility.com has also provided all calling card customers with a 90-day grace period to use all remaining minutes, with any unused minutes subject to being refunded. The Commission is of the opinion that Utility.com's request should be honored and its certificate to provide interexchange telecommunications services should be canceled.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the certificate of operating authority previously issued in Application No. C-2369 to Utility.com, Inc. be, and it is hereby, canceled.
