On December 14, 2000, a joint application was filed by WWC License, LLC (WWC) of Issaquah, Washington, and Qwest Corporation f/k/a US West Communications, Inc. (Qwest) of Denver, Colorado, seeking approval of their voluntarily-negotiated type 2 wireless interconnection agreement. Notice of the application was published in The Daily Record, Omaha, Nebraska, on December 15, 2000. No protests were filed; therefore, this application is processed pursuant to the Commission's Rule of Modified Procedure.

Pursuant to Section 252(a) of the Telecommunications Act of 1996 (the Act), WWC and Qwest entered into an interconnection agreement arrived at through voluntary negotiations. An executed copy of the voluntarily-negotiated interconnection agreement is contained within the application.

Neither the agreement nor any portion thereof discriminates against any telecommunications carrier that is not a party to the agreement. Furthermore, the implementation of the agreement is consistent with the public interest, convenience and necessity.

Section 252(e) of the Act requires this Commission to review negotiated interconnection agreements to ensure they comply with Sections 251 and 252(d) of the Act, as well as all applicable state laws. Using those standards, the interconnection agreement filed December 14, 2000, should be approved.
