BY THE COMMISSION:

On March 6, 2001, the Nebraska Public Service Commission (Commission) opened the above-captioned docket on its own motion seeking to re-examine its retail service quality standards for all local exchange carriers operating within the State of Nebraska.

In its initial order opening this docket, the Commission asked a set of questions and requested answers in the form of comments filed with the Commission. The Commission suspended its deliberation on the filed comments in order to focus its investigation on the service quality of ALLTEL Nebraska, Inc. (ALLTEL).

On October 1, 2002, the Commission entered a progression order seeking new and supplemental comments on the questions asked previously in its initial order. On November 18, 2002, a workshop was held to discuss the establishment of service quality rules, which the Commission determined as necessary under NUSF-26 Progression Order No. 1.

O P I N I O N S A N D F I N D I N G S

We believe that the above-mentioned docket should now be closed. The Commission staff has been working on draft rules to establish service quality standards for all telecommunications carriers in the state of Nebraska. The completed rules will be released under a separate docket; therefore, this docket is no longer necessary.

For the reasons stated above, the Commission finds that this docket should be closed.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the above-captioned docket be, and is hereby closed.
