BY THE COMMISSION:

O P I N I O N A N D F I N D I N G S

On February 20, 2001, a joint application was filed by Qwest Corporation (Qwest) of Denver, Colorado, and Rhythms Links, Inc. (Rhythms) of Englewood, Colorado, seeking approval of Amendment No. 2 to their interconnection agreement. Notice of the application was published in The Daily Record, Omaha, Nebraska, on February 21, 2001. No protests were filed; therefore, this application is processed pursuant to the Commission's Rule of Modified Procedure.

On December 7, 1999, the original interconnection agreement between Qwest (then known as US West) and Rhythms was approved by this Commission, pursuant to Application No. C-2149. The original agreement was subsequently amended on April 5, 2000, when the Commission approved Amendment No. 1 to the agreement, pursuant to Application No. C-2238. In the application at bar, Rhythms and Qwest once again seek to amend their agreement. An executed copy of the amendment is contained within the application.

The amendment does not discriminate against any telecommunications carrier that is not a party to the agreement. Furthermore, the implementation of the amendment is consistent with the public interest, convenience and necessity.

Section 252(e) of the Act requires this Commission to review negotiated interconnection agreements to ensure they comply with Sections 251 and 252(d) of the Act, as well as all applicable state laws. Using those standards, the amendment should be approved.

IT IS FURTHER ORDERED that the executed amendment filed herein be, and it is hereby, made the official copy on file with the Nebraska Public Service Commission.

MADE AND ENTERED at Lincoln, Nebraska, this 3rd day of April, 2001.
