On March 28, 2001, a joint application was filed by Qwest Corporation (Qwest) of Denver, Colorado, and Sprint Spectrum, LP, (Sprint) of Overland Park, Kansas, seeking approval of the first amendment to their Type 2 wireless interconnection agreement. Notice of the application was published in The Daily Record, Omaha, Nebraska, on March 29, 2001. No protests were filed; therefore, this application is processed pursuant to the Commission's Rule of Modified Procedure.

On August 5, 1997, the original interconnection agreement between Qwest and Sprint Spectrum was approved by this Commission, pursuant to Application No. C-1583. On June 30, 1998, pursuant to Application No. C-1583, the Commission approved an amendment to that agreement. In the current application, Qwest and Sprint Spectrum seek to amend their agreement. An executed copy of the amendment is contained within the application.

The amendment at issue does not discriminate against any telecommunications carrier that is not a party to the agreement. Furthermore, the implementation of the amendment is consistent with the public interest, convenience and necessity.

Section 252(e) of the Telecommunications Act of 1996 (the Act) requires this Commission to review negotiated interconnection agreements to ensure they comply with Sections 251 and 252(d) of the Act, as well as all applicable state laws. Using those standards, the amendment filed should be approved.
