On August 8, 2001, the Commission will hold a pre-hearing conference at 10:00 a.m. in the Commission Hearing Room. The hearing will commence at 11:00 a.m. or after the conclusion of the pre-hearing conference.

Phase 2: In the hearings scheduled for **September 19-21, 2001, and tentatively September 26, 2001**, the Commission will hear evidence regarding recurring charges significant in pricing the following elements:
