BY THE COMMISSION:

By original petition, dated June 5, 2001, the Communications Department (Department) of the Nebraska Public Service Commission (Commission) initiated this docket requesting the Commission to revoke the operating authority of various defendants for failure to file annual reports pursuant to Neb. Rev. Stat. §86-807 (Reissue 1999). All companies who had not filed annual reports with the Commission were named as defendants in this docket. A copy of the Petition and the Order Opening Docket was mailed to each defendant via United States mail.

The defendants are telecommunications companies generally regulated by the Commission, pursuant to Neb. Rev. Stat. §§ 75-101, et seq. (Reissue 1996) and 86-801 to 86-811 (Reissue 2000). Defendants are also governed by Title 291, NAC Ch. 5 of the Commission's Rules and Regulations.

As part of its regulatory authority and pursuant to §86-807, the Commission, through its Communications Department, requires telecommunications companies which file an annual report with a federal agency to file a copy of the same report with the Commission on or before the date on which said report is filed with the federal agency. Every such company not required to file such a report with a federal agency is required to file an annual report with the Commission in a form prescribed by the Commission on or before April 30th of each year.

A number of defendants have signed a stipulation with the Department wherein each defendant admits to filing its report late and agrees to pay an administrative fine to dismiss the departmental complaint. The signed stipulations are satisfactory and therefore, the following defendants should be dismissed from the complaint:

The companies listed in the preceding paragraph should be aware that this Commission will not tolerate similar behavior in 2002 regarding the filing of the 2001 report. If reports are not postmarked on or before April 30, 2002, the option of resolving the complaint through a stipulation will be closely scrutinized. All companies that have agreed to such a stipulation will be considered a willful violator and be subject to the maximum penalty allowed.

The above-named defendants have complied with the provisions of Neb. Rev. Stat. §86-807 (Reissue 1999) and have satisfactorily remitted an annual report for the year 2000; therefore, said defendants should all be dismissed from this complaint.

Furthermore, the following companies will be dismissed because their certificates have been canceled:
