Defendants.	)

The Communications Department of the Nebraska Public Service Commission (Commission), by and through its Director, Maurice Gene Hand, states and alleges as follows:

1. The above-mentioned defendants are telecommunications companies generally regulated by the Commission, pursuant to Neb. Rev. Stat. §§ 75-101, et seq. (Reissue 1996) and 86-801 to 86-811 (Reissue 1999). Defendants are also governed by Title 291, NAC Ch. 5 of the Commission's Rules and Regulations.

2. As part of its regulatory authority and pursuant to §86-807, the Commission, through its Communications Department, requires telecommunications companies which file an annual report with a federal

agency to file a copy of the same report with the Commission on or before the date on which said report is filed with the federal agency. Every such company not required to file such a report with a federal agency is required to file an annual report with the Commission in a form prescribed by the Commission on or before April 30th of each year.

3. None of the defendants filed the required proper and complete annual reports for the year 2000 as of April 30, 2001. Each company was notified by the staff two times by first class mail that the annual report was due: Interexchange companies were notified on January 23, 2001, and April 11, 2001; and local exchange carriers were notified on January 18, 2001, and April 11, 2001. None of the defendants responded by April 30, 2001, with a report which satisfies the Commission's requirements.

4. Based on the failure of the defendants to file the required annual reports by April 30, 2001, and each defendant's disregard of the requests to do so, each defendant's certificate of authority should be revoked and each defendant should be ordered to cease and desist operations in Nebraska.

WHEREFORE, the complainant prays that this Commission set this matter for hearing and revoke each certificate of authority previously issued to the above-named defendants.

DATED this 5th day of June, 2001.
