O P I N I O N A N D F I N D I N G S

Keen, a Delaware corporation, is principally located in San Francisco, California, and is authorized to conduct business in Nebraska. Keen is in the process of filing for certification nationwide. At no time has the applicant nor any of its members been involved in a formal complaint or other investigatory enforcement proceeding.

Keen seeks authority to provide a selected range of 1+ interexchange services and data transmission services, including, but not limited to, message telecommunications service, prepaid long distance, private line, wide area telephone service, calling card, toll-free, integrated services digital line and frame relay service products.

Keen anticipates that it will resell the intrastate toll services of Global Crossing; however, the applicant requests authority to resell the intrastate toll services of any carriers certificated by the Commission.

Interexchange reseller applications are subject to Commission jurisdiction under Neb. Rev. Stat. §§ 75-604 and 86-805 and Title 291 of the Commission's Rules and Regulations, Chapter 5, Rule 003.12.

From examination of the application filed herein, the Commission finds Keen has provided all the information required by the Commission, possesses adequate financial resources to provide the proposed service and possesses adequate technical competency to provide the proposed service. The application should be granted.
