On December 5, 2001, Commission staff notified TDI that its application contained deficiencies that needed to be corrected before the Commission could render a decision on its application. Specifically, TDI did not provide current financial statements that showed a capitalization of at least \$200,000.

On February 26, 2002, the Commission received a letter from TDI stating that it wished to have its application withdrawn without prejudice. Pursuant to Rule 008 of the Rules of Commission Procedure, Title 291, Chapter 1, applications will not be withdrawn without approval of the Commission. In light of TDI's request, the Commission finds that the application should be withdrawn.
