Pac-West was authorized by this Commission to operate as an interexchange carrier of telecommunications services in Nebraska on August 22, 2000, pursuant to Application No. C-2345.

By letter dated October 8, 2001, Pac-West gave notice that it currently wishes to discontinue service in Nebraska effective December 15, 2001, and therefore, requests that its certificate to provide such service be withdrawn. Pac-West has provided written notice to its customers of the discontinuance of service and has given its customers ample time to choose among a number of other providers operating in Nebraska. Pac-West has no pending departmental, formal or informal complaints with the Commission. Pac-West has also stated that they will reimburse any customer for standard charges associated with changing service providers.

Upon consideration of the request and being fully advised, the Commission finds the request to be reasonable and finds that Pac-West may withdraw the certificate previously issued to it in Application No. C-2345.
