O P I N I O N    A N D    F I N D I N G S

Gold Line is a Canadian corporation with its headquarters in Richmond Hill, Ontario. Gold Line has received approval from the Secretary of State to conduct business in Nebraska as a foreign corporation. Applicant is in the process of obtaining required authorizations to provide telecommunications services in 49 states. In no instance has any application been denied or rejected. In addition, no officer, director or shareholder having five percent or more of applicant's voting security has been involved in a formal complaint or other investigatory or enforcement proceeding.

Applicant proposes to offer switched and dedicated access 1+ long distance telecommunications services suitable for voice and limited data applications in the State of Nebraska along with prepaid calling cards, postpaid calling cards, toll-free service and directory assistance. The applicant will not provide alternative operator services nor will require advance payments or deposits.

Applicant plans to operate as a switch-based reseller of telecommunications services provided over the networks of its underlying carriers: MCI, AT&T, Sprint and Qwest. Applicant neither owns nor leases equipment or facilities used for transport of telecommunications in Nebraska. Applicant is also

dependent on the technical capabilities of its underlying carriers.

Interexchange reseller applications are subject to Commission jurisdiction under Neb. Rev. Stat. §§ 75-604 and 86-805 and Title 291 of the Commission's Rules and Regulations, Chapter 5, Rule 003.12. From examination of the application filed herein, the Commission finds Gold Line has provided all the information required by the Commission, possesses adequate financial resources to provide the proposed service, and possesses adequate technical competency to provide the proposed service. The application should be granted.
