O P I N I O N A N D F I N D I N G S

Network was authorized by this Commission to operate as a resale carrier of interexchange telecommunications services in Nebraska on August 19, 1995, pursuant to Application No. C-1190.

By letter dated April 15, 2002, Network gave notice that it currently wishes to discontinue service in Nebraska and, therefore, requests that its certificate to provide such service be withdrawn. Network has provided written notice to its customers of the discontinuance of service and has given its customers ample time to choose among a number of other providers operating in Nebraska. Network has no pending departmental, formal or informal complaints with the Commission.

Upon consideration of the request and being fully advised, the Commission finds the request to be reasonable and finds that Network may withdraw the certificate previously issued to it in Application No. C-1190.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that Application No. C-2722 be, and it is hereby, granted and the certificate of authority granted to Network Plus, Inc. and its initial tariff are withdrawn.
