BEFORE THE COMMISSION:

On July 12, 2002, an application was filed by United Telephone Company of the West, d/b/a Sprint (Sprint), of Overland Park, Kansas, and Level 3 Communications (Level 3) of Broomfield, Colorado, seeking approval of their Master Interconnection and Resale Agreement. Notice of the application was published in The Daily Record, Omaha, Nebraska, on July 15, 2002. No protests were filed; therefore, this application is processed pursuant to the Commission's rule of modified procedure.

Pursuant to Section 252(a) of the Telecommunications Act of 1996 (the Act), Sprint and Level 3 entered into a negotiated interconnection and resale agreement. An executed copy of this agreement is contained within the application.

Neither the agreement nor any portion thereof discriminates against any telecommunications carrier that is not a party to the agreement. Furthermore, the implementation of the agreement is consistent with the public interest, convenience and necessity.

Section 252(e) of the Act requires this Commission to review negotiated interconnection agreements to ensure they comply with Sections 251 and 252(d) of the Act, as well as all applicable state laws. Using those standards, the negotiated interconnection and resale agreement should be approved.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the negotiated interconnection and resale agreement between United Telephone Company of the West, d/b/a Sprint, and Level 3 Communications be, and it is hereby, approved.

IT IS FURTHER ORDERED that the executed interconnection and resale agreement filed herein be, and it is hereby, made the official copy on file with the Nebraska Public Service Commission.
