BY THE COMMISSION:

O P I N I O N A N D F I N D I N G S

On April 22, 2003, this Commission entered its order in the above-captioned matter approving as modified the arbitrated interconnection agreement between Level 3 Communications, LLC (Level 3) and Qwest Corporation (Qwest).

On May 2, 2003, Level 3 filed a motion for rehearing in this matter. Qwest Corporation filed its response to the motion for rehearing on May 13, 2003.

The Commission scheduled oral arguments to address the issues set forth in Level 3's motion on June 17, 2003. Oral Arguments were presented by Greg Rogers for Level 3 and Mary Rose Hughes for Qwest.

At the oral argument, Mr. Rogers argued that the Commission committed legal error by adopting Qwest's language against the arbitrator's recommendation in the arbitration. Specifically,

Level 3 believes that traffic from Qwest's subscribers to Level 3's Internet Service Provider (ISP) customers should be included in "relative use" calculations that are used to determine the allocation of costs for shared facilities on Qwest's side of the point of interconnection with Level 3.

Ms. Hughes, on behalf of Qwest, argued that all of the issues addressed by Level 3 in the oral argument had been exhaustively presented to the Commission before the issuance of its April 22 order. Specifically, Qwest reiterated that they were entitled to just and reasonable compensation for the interconnection trunks that Level 3 orders.

In consideration of Level 3's Motion, Qwest's Reply and the oral arguments thereon, the Commission is of the opinion and finds that Level 3's motion for rehearing should be denied.

The Commission is not persuaded by Level 3's motion for rehearing in light of the fact that nothing has changed since this matter was originally brought before the Commission for determination. Furthermore, the Commission believes that its original findings in this matter are appropriate and, therefore, the motion for rehearing should be, and is hereby, denied.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that Level 3's motion for rehearing is hereby, denied.

MADE AND ENTERED at Lincoln, Nebraska, this 1st day of July, 2003.
