By motion filed October 11, 2002, Nebraska Technology & Telecommunications, Inc. (NT&T), requested that the hearing scheduled for October 16, 2002, be continued until a date after January 1, 2003. In support of its Motion for Continuance, NT&T states that the Commission's decisions in Docket Nos. C-1628 and NUSF-26 may impact the request of NT&T with respect to the rezoning of the five exchanges named in its petition.

Upon consideration of NT&T's motion, we find that it should be granted and that the hearing scheduled in this matter be continued for a date later to be determined.
