)

BY THE HEARING OFFICER:

By petition filed September 16, 2002, Nebraska Technology & Telecommunications, Inc. (NT&T) requested that the Commission open an investigation on Qwest Corporation's (Qwest) rezoning of certain Nebraska exchanges from Zone 2 to Zone 3. NT&T requests that the Commission remedy the rate differential now charged by Qwest pursuant to Application No. C-2516/PI-49.

Specifically, NT&T seeks rezoning of five Nebraska exchanges from Zone 3 to Zone 2. The five exchanges include Broken Bow, Gothenburg, Lyons, Oakland and Wood River. These exchanges were in Zone 2 or 1 under the Commission's interim zoning structure in Application No. C-2256. In Application No. C-2516, several exchanges including the five exchanges mentioned by NT&T in their petition were redrawn. The Commission hereby grants NT&T's request for an investigation to determine the effect the Commission's order in Application No. C-2516 had on NT&T's ability to compete in the five named exchanges. Therefore, the Commission opens this investigation to determine whether the Broken Bow, Gothenburg, Lyons, Oakland and Wood River exchanges should be moved from Zone 3 to Zone 2.

In the Commission's open meeting on October 1, 2002, I was designated as the Hearing Officer. It has since come to my attention that because of scheduling conflicts, a quorum will be unavailable on October 7, 2002, and therefore, the hearing should be moved back one day. The hearing should be reset for October 16, 2002 at 3:00 p.m. in the Commission Hearing Room.

O R D E R

IT IS THEREFORE ORDERED by the Hearing Officer that the hearing in this docket scheduled on October 7, 2002 should be moved to October 16, 2002 at 3:00 p.m. in the Commission Hearing Room, 300 The Atrium, 1200 N Street, Lincoln, Nebraska.
