BEFORE THE COMMISSION:

On March 12, 2003, a joint application was filed by Citizens Telecommunications Company of Nebraska (Citizens) of Mound, Minnesota, and WWC License, L.L.C. (WWC) of Bellevue, Washington, seeking approval of an interconnection and traffic interchange agreement for cellular and other two-way mobile radio services. Notice of the application was published in The Daily Record, Omaha, Nebraska, on March 14, 2003. No protests were filed; therefore, this application is processed pursuant to the Commission's rule of modified procedure.

Pursuant to Section 252(a) of the Telecommunications Act of 1996 (the Act), Citizens and WWC entered into an interconnection agreement arrived at through voluntary negotiations. An executed copy of this agreement is contained within the application.

Neither the agreement nor any portion thereof discriminates against any telecommunications carrier. Furthermore, the implementation of the agreement is consistent with the public interest, convenience and necessity.

Section 252(e) of the Act requires this Commission to review negotiated interconnection agreements to ensure they comply with Sections 251 and 252(d) of the Act, as well as all applicable state laws. Using those standards, the interconnection agreement should be approved.
