CityNet was authorized by this Commission to operate as a resale carrier of intrastate interexchange and local exchange telecommunications services in Nebraska on January 9, 2001, pursuant to Application No. C-2349.

On June 4, 2001, CityNet requested that their intrastate interexchange services in Nebraska be withdrawn. The Commission in Application No. C-2543 granted their request on July 11, 2001.

By letter dated December 8, 2003, CityNet gave notice that it currently wishes to discontinue its competitive local exchange authority in Nebraska, and therefore, requests that its certificate to provide such service be withdrawn. CityNet has never had any customers or operations in Nebraska. CityNet has no pending departmental, formal or informal complaints with the Commission.

Upon consideration of the request and being fully advised, the Commission finds the request to be reasonable and finds that CityNet may withdraw its competitive local exchange authority issued to it by the certificate granted in Application No. C-2349.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that Application No. C-3064 be, and it is hereby, granted and the certificate and authority for competitive local exchange services granted to CityNet Telecom, Inc. are withdrawn.
