interexchange telecommunications     )  
services within the state of         )  
Nebraska.                                 ) Entered: April 27, 2004

BY THE COMMISSION:

By application filed March 18, 2004, iLOKA, Inc., d/b/a Microtech-tel (iLOKA) of Greenwood Village, Colorado, seeking authority to withdraw their Certificate of Public Convenience and Necessity to provide resold and facilities-based local exchange and interexchange telecommunications services within the state of Nebraska, previously granted by the Commission in Application No. C-2937. Notice of the application was published in The Daily Record, Omaha, Nebraska, on March 19, 2004. No protests were filed; therefore, this application is processed pursuant to the Commission's Rule of Modified Procedure.

O P I N I O N     A N D     F I N D I N G S

iLOKA was granted a Certificate of Public Convenience and Necessity to provide resold and facilities-based local exchange and interexchange telecommunications services by the Commission on June 3, 2003, pursuant to Application No. C-2937.

By letter dated March 16, 2004, iLOKA requests that their certificate and authority be cancelled. iLOKA intends to no longer provide telecommunications services in the State of Nebraska. It currently has no customers in Nebraska and the discontinuance of its certificate will have no adverse impact upon consumers.

Upon consideration of the request and being fully advised, the Commission finds the request to be reasonable and finds that iLOKA's certificate and authority previously granted in Application No. C-2937 should be withdrawn.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that Application No. C-3160 be, and it is hereby,

granted and the Certificate of Public Convenience and Necessity to provide resold and facilities-based local exchange and interexchange telecommunications services granted to iLOKA, Inc., d/b/a Microtech-tel is withdrawn.

MADE AND ENTERED at Lincoln, Nebraska, this 27th day of April 2004.
