) Entered: August 5, 2004

BY THE HEARING OFFICER:

By Motion for Stay filed July 26, 2004, the Nebraska Telecommunications Association (NTA) requests the Commission to abate the comment cycle established in the above-captioned docket pending resolution of said movant's Petition for Declaratory Ruling. The NTA argues that the Commission should dispose of the jurisdictional question presented by the NTA prior to receiving comments. The NTA argues in its Petition for Declaratory Ruling that the Commission lacks the jurisdiction to either conduct a rulemaking proceeding or engage in an investigation of any incumbent local exchange carrier's non-regulated affiliates. Upon consideration of this matter, the Hearing Officer is of the opinion and finds that the comment cycle should not be stayed pending resolution of the Petition for Declaratory Ruling. Accordingly, the Motion to Stay is denied. The interested parties should address the jurisdictional question in their comments to the Commission. The Commission will separately consider the Petition for Declaratory Ruling after initial comments have been filed.

O R D E R
