On September 3, 1987, LDWC was granted a certificate to operate as a resale carrier of intrastate interLATA and intraLATA telecommunications services within the state of Nebraska pursuant to Application No. C-1303.

By letter received on August 4, 2004, LDWC requested the withdrawal of its certificate of authority. LDWC no longer has customers in Nebraska and does not intend to resell its telecommunications services in Nebraska.

Upon consideration of the request and being fully advised, the Commission finds the request to be reasonable and finds that LDWC's certificate of authority previously granted in Application No. C-1303 should be withdrawn.
