On July 15, 2005, a joint application was filed by United Telephone Company of the West d/b/a Sprint (United), Overland Park, Kansas, and KMC Telecom V, Inc. (Telecom), Lawrenceville, Georgia, seeking approval of a Master Interconnection Agreement. Notice of the application was published in The Daily Record, Omaha, Nebraska, on August 1, 2005. No protests were filed; therefore, this application is processed pursuant to the Commission's Rule of Modified Procedure.

On June 27, 2005, an interconnection agreement was entered into between United and Telecom to establish the rates, terms and conditions for local interconnection. In the current application, Telecom and United seek Commission approval of the interconnection agreement.

The agreement does not discriminate against any telecommunications carrier that is not a party to the agreement. Furthermore, the implementation of the agreement is consistent with the public interest, convenience and necessity.

Section 252(e) of the Act requires this Commission to review negotiated interconnection agreements to ensure they comply with Sections 251 and 252(d) of the Act, as well as all applicable state laws. Using those standards, the agreement filed should be approved.
