On September 12, 2005, Qwest Corporation (Qwest) Denver, Colorado, filed an application seeking approval of a Triennial Review Order and Triennial Review Remand Order Amendment to the interconnection agreement with 1-800-Reconex, Inc., d/b/a USTel (USTel) Hubbard, Oregon, which was previously approved in Docket C-3219. Notice of the application was published in The Daily Record, Omaha, Nebraska, on October 14, 2005. No protests were filed; therefore, this application is processed pursuant to the Commission's Rule of Modified Procedure.

On July 20, 2004, in Application No. C-3219, the original interconnection agreement between Qwest and USTel was approved by this Commission. In the current application, Qwest seeks to amend the agreement by adding a Triennial Review Order and Triennial Review Remand Order amendment to the interconnection agreement. An executed copy of the amendment is contained within the application.

The amendment does not discriminate against any telecommunications carrier. Furthermore, the implementation of the amendment is consistent with the public interest, convenience and necessity.

Section 252(e) of the Act requires this Commission to review negotiated interconnection agreements to ensure they comply with Sections 251 and 252(d) of the Act, as well as all applicable state laws. Using those standards, the amendment filed September 12, 2005, should be approved.
