O P I N I O N     A N D     F I N D I N G S

Horizon is a Nevada corporation with its principle office in Las Vegas, Nevada. Horizon is authorized to provide interstate and international long distance telecommunications services in 42 states. Horizon received authority to provide resold long distance services in Nebraska pursuant to Commission Order No. C-2913.

Seacrest is an individual whose business address is in Las Vegas, Nevada. Seacrest currently holds 100 percent of the stock interest in Horizon. Sorrentino is also an individual whose business address is in Burlington, New Jersey. Neither Seacrest nor Sorrentino hold a certificate of authority.

Pursuant to the proposed transaction, Sorrentino will acquire all of Seacrest's stock in Horizon. Horizon will continue to provide competitive telecommunications services to its existing customers using the same technical and managerial personnel following consummation of the proposed transaction. The proposed transfer of control will be seamless to Horizon's customers; its name, rates, and service offerings will not change as a result of the proposed transaction.

Based on the evidence, we find the application to be fair and reasonable and in the public interest. The application should be granted.
