BY THE HEARING OFFICER:

On February 28, 2006, the Nebraska Public Service Commission (Commission) opened Docket No. C-3554/PI-112 to seek comments on the appropriateness of zones established in Docket No. C-2516 in light of the findings and conclusions of NUSF-26. Interested parties were asked to file comments in this matter by March 31, 2006. On March 16, 2006, Allo Communications, LLC, Mobius Communications Company and Pinpoint Communications, Inc. filed a motion requesting the Commission extend the deadline for all interested parties to file written comments to April 14, 2006. On March 21, 2006, Nebraska Technology & Telecommunications, Inc. (NT&T) filed a motion requesting the Commission extend the deadline for interested parties to file written comments to May 19, 2006. Petitioners assert that extra time is required to respond due to the complexity of the issues involved and the potential impact of any contemplated changes.

After considering the petitioners motions, I find the deadline to file written comments should be extended to May 3, 2006.

O R D E R

IT IS THEREFORE ORDERED by the hearing officer that the deadline for filing written comments in response to Docket No. C-3554/PI-112, be extended to May 3, 2006 and that reply comments be filed on or before May 3, 2006.

MADE AND ENTERED at Lincoln, Nebraska this 24th day of March, 2006.
