On March 3, 2006 a joint application was filed by Qwest Corporation ("Qwest") of Denver, Colorado, and FiberComm, LLC, ("FiberComm") of Sioux City, Iowa, seeking approval of an Expedite Requests Amendment to their interconnection agreement. Notice of the application was published in The Daily Record, Omaha, Nebraska, on March 17, 2006. No protests were filed; therefore, this application is processed pursuant to the Commission's Rule of Modified Procedure.

On November 20, 2001, the original interconnection agreement between Qwest and FiberComm was approved by this Commission, pursuant to Application No. C-2610. In the current application, Qwest and FiberComm seek to amend their agreement. Executed copies of the amendment are contained within the application.

The amendment does not discriminate against any telecommunications carrier that is not a party to the agreement. Furthermore, the implementation of the amendment is consistent with the public interest, convenience and necessity.

Section 252(e) of the Act requires this Commission to review negotiated interconnection agreements to ensure they comply with Sections 251 and 252(d) of the Act, as well as all applicable state laws. Using those standards, the amendment filed should be approved.
