BY THE COMMISSION:

By application filed March 22, 2006, Acceris Communications Corp. ("Acceris") of San Diego, California, seeks to withdraw its authority to operate as a resale common carrier of telecommunications services in the state of Nebraska. A certificate of public convenience and necessity was previously issued to Acceris in Docket No. C-3224. Notice of the application appeared in The Daily Record on March 30, 2006. No protests were filed.

In Docket No. C-3224, Acceris was granted authority to operate as a resale common carrier of telecommunications services in the state of Nebraska. In NUSF-54, in a Show Cause proceeding, the Commission revoked Acceris' certificate of operating authority and fined Acceris for a violation of Commission rules. Accordingly, the Commission dismisses the present application as moot.
