No protests were filed; therefore, this application is processed pursuant to the Commission's Rule of Modified Procedure.

Pursuant to Section 252(a) Qwest and LH entered into a wireline interconnection agreement of Statement of Generally Available Terms and Conditions for Interconnection, which was approved by the Commission in Application No. C-3220 on July 20, 2004. In the current application, Qwest and LH seek to amend the original agreement by modifying terms in accordance with the Federal Communications Commission's (FCC's) *Memorandum Opinion and Order on the Petition of Qwest Corporation for Forbearance Pursuant to 47 U.S.C. § 160(c) in the Omaha Metropolitan Statistical Area*, FCC 05-170, WC Docket No. 04-223 (effective September 16, 2005) (OFO). An executed copy of the amendment is contained within the application.

The amendment does not discriminate against any telecommunications carrier that is not a party to the agreement. Furthermore, the implementation of the amendment is consistent with the public interest, convenience and necessity.

Section 252(e) of the Act requires this Commission to review negotiated interconnection agreements to ensure they comply with Sections 251 and 252(d) of the Act, as well as all applicable state laws. Using those standards, the amendment filed July 24, 2006, should be approved.
