O P I N I O N A N D F I N D I N G S

On July 11, 2000, Universal was granted authority to operate as a local exchange telecommunications carrier within the state of Nebraska pursuant to Application No. C-2223.

By letter received on October 10, 2006, Universal requested the cancellation of its authority to operate as a resale and facilities-based interexchange and local exchange carrier of communications services in the state of Nebraska and the withdrawal of its tariffs. Universal no longer has customers in Nebraska and has ceased its operations for telecommunications in the state.

Upon consideration of the request and being fully advised, the Commission finds the request to be reasonable and finds that Universal's authority to operate, as a resale and facilities-based interexchange and local exchange carrier of communications services in the state of Nebraska should be cancelled.
