On October 19, 2006, an application was filed by Qwest Corporation (Qwest) Denver, Colorado, with Trans National Communications International, Inc., (TNCI) Boston, Massachusetts, filing under protest of the Commercial Agreement and for Provision Qwest Platform Plus Service (QPP). Notice of the application was published in The Daily Record, Omaha, Nebraska, on October 23, 2006.

Qwest's filing of the Commercial QPP Agreement under protest is the result of the order entered by the Commission on January 4, 2005, in Application No. C-3255. Qwest objects to the Commission's conclusion that Commercial QPP agreements fall within the Commission's jurisdiction; however, reserving its rights, Qwest filed the agreement with the Commission.

The agreement does not discriminate against any telecommunications carrier that is not a party to the agreement. Furthermore, the implementation of the amendment is consistent with the public interest, convenience and necessity.

Section 252(e) of the Act requires this Commission to review negotiated interconnection agreements to ensure they comply with Sections 251 and 252(d) of the Act, as well as all applicable state laws. Using those standards, the agreement filed should be approved.

IT IS FURTHER ORDERED that the executed interconnection agreement filed herein be, and it is hereby, made the official copy on file with the Nebraska Public Service Commission.
