BY THE COMMISSION:

O P I N I O N A N D F I N D I N G S

By application filed October 9, 2007, United Systems Access, Inc. (United), of Kennebunk, Maine, and American Fiber Network Inc. (American), Washington, D.C., seeking transfer of control of American. Notice of the application appeared in the Daily Record, Omaha, Nebraska, on October 10, 2007. No protests or interventions were filed; therefore, the Commission processes this applicant pursuant to the Commission's Rule of Modified Procedure.

American is a local exchange carrier and interexchange carrier in Nebraska authorized to provide such services by Docket C-3726. American is a wholly-owned subsidiary of MobilePro Corporation (MobilePro). MobilePro is a Delaware corporation principally located in Ohio.

United Systems Access, Inc., is a Delaware corporation principally located in the state of Maine. United does not possess a certificate to provide telecommunications services in Nebraska.

By this application, MobilePro and United have entered into an agreement to transfer control of American to United. United will acquire 100 percent of the stock of American. Following the transaction American will be a wholly-owned subsidiary of United. American will continue to offer the same service under the same name, terms, rates and conditions. The transfer will be transparent to customers.

Upon review of the application, the Commission finds that it serves the public interest and should be granted.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that Application No. C-3868 be, and it is hereby, granted.

MADE AND ENTERED at Lincoln, Nebraska, this 20th day of November, 2007.
