BY THE COMMISSION:

On January 17, 2012 an application was filed by Joseph and Roberta Malloy, Decatur, Nebraska, seeking authority for a boundary change to receive telephone service from the adjacent exchange of Northeast Nebraska Telephone Company ("Northeast") in lieu of his current telephone service from CenturyLink. Notice of the application was published in The Daily Record, Omaha, Nebraska, on February 1, 2012.

O P I N I O N A N D F I N D I N G S

Northeast and CenturyLink are local exchange carriers holding certificates of public convenience and necessity to provide local exchange service in their respective territories. Joseph and Roberta Malloy reside within the boundaries of CenturyLink's Lyons exchange, and have requested a boundary change so that they may receive local exchange service from the Decatur exchange of Northeast. CenturyLink has notified the Commission that it does not oppose the proposed boundary change.

Changes of a local exchange territory are governed by *Neb. Rev. Stat.* §§ 86-135 to 86-138. Section 86-135 states that only upon non-consent of all telephone carriers involved shall the Commission hold a public hearing in the application. With no protest filed by any party and with each of the affected local exchange carriers consenting to the boundary change, the Commission processes this application administratively and without a public hearing.

The Commission finds that, in light of the agreement between all parties involved, the application is in the public interest and should be granted.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that Application No. C-4439 be, and it is hereby, granted.

IT IS FURTHER ORDERED that Northeast Nebraska Telephone Company and CenturyLink submit revised boundary maps to the Commission within thirty (30) days from the date of this Order.
