) Entered: May 16, 2012

BY THE COMMISSION:

The Nebraska Public Service Commission (Commission) on its own motion opened the present docket to collect and review the 2011 annual reports required pursuant to *Neb. Rev. Stat. § 86-159* (Reissue of 2008) and to process any and all motions or requests related to the annual report. On May 15, 2012, the Communications Department (Department) of the Commission filed a complaint seeking an order assessing civil penalties and revoking the operating authority of each of the Respondents named in the complaint alleging that said carriers failed to timely file an annual report pursuant to *Neb. Rev. Stat. § 86-159* (Reissue of 2008).

A copy of the complaint and this order shall be mailed to each Respondent via certified mail.

The Respondents are telecommunications companies generally regulated by the Commission, pursuant to *Neb. Rev. Stat. § 75-101*, et. seq. (Reissue of 2009) and *§ 86-101* et. seq. (Reissue of 2008). Respondents are also governed by Title 291, Neb. Admin. Code Title 291, Ch. 5 of the Commission's rules and regulations.

As part of its regulatory authority and pursuant to *§ 86-159*, the Commission, through its Department, requires telecommunications companies which file an annual report with a federal agency to file a copy of the same report with the Commission on or before the date on which said report is filed with the federal agency. Every such company not required to file such a report with a federal agency is required to file an annual report with the Commission in a form prescribed by the Commission on or before April 30th of each year.

Each interexchange carrier and local exchange carrier was notified by the staff by email or first class mail on or about January 31, 2012, via certified mail on or about March 1, 2012, and by email or first class mail on or about April 16, 2012, that the annual report is due on April 30, 2012.

The Commission further finds that Respondents should be ordered to show cause as to why civil penalties should not be assessed and/or their certificates of public convenience and necessity should not be revoked. Furthermore, the Commission finds that a hearing should be scheduled on this matter on **August 7, 2012, at 1:30 p.m.** at the Commission Hearing Room, 1200 N Street, Suite 300, Lincoln, Nebraska.
