the Interconnection Agreement)	
with Sprint Spectrum, L.P.,)	
Overland Park, Kansas,)	
previously approved in Docket)	
C-3043.)	Entered: August 21, 2012

BY THE COMMISSION:

O P I N I O N A N D F I N D I N G S

On July 12, 2012, Hartington Telecommunications Company, Inc. ("HTC") of Hartington, Nebraska, filed an application seeking approval of an Amendment to its Interconnection Agreement with Sprint Spectrum L.P., ("Sprint"), of Overland Park, Kansas. The agreement amends the Interconnection Agreement previously approved in Docket C-3043. Notice of the application was published in The Daily Record, Omaha, Nebraska, on July 17, 2012. No protests were filed; therefore, this application is processed pursuant to the Commission's Rule of Modified Procedure.

On December 2, 2003, in Docket C-3043, the original interconnection agreement between HTC and Sprint was approved by the Commission. In the current application, Qwest seeks to amend the Agreement by adding an Amendment to the Interconnection Agreement. An executed copy of the Amendment is contained within the application.

The Amendment does not discriminate against any telecommunications carrier. Furthermore, the implementation of the Amendment is consistent with the public interest, convenience and necessity.

Section 252(e) of the Act requires this Commission to review negotiated interconnection agreements to ensure they comply with Sections 251 and 252(d) of the Act, as well as all applicable state laws. Using those standards, the Amendment should be approved.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the Amendment to the Interconnection Agreement between Hartington Telecommunications Company, Inc. and Sprint Spectrum L.P., be, and it is hereby, approved.

IT IS FURTHER ORDERED that the executed Amendment filed herein be, and it is hereby, made the official copy on file with the Nebraska Public Service Commission.

MADE AND ENTERED at Lincoln, Nebraska, this 21st day of August, 2012.
