BY THE COMMISSION:

By Application filed August 30, 2012, TerraCom, Inc. ("TerraCom"), Oklahoma City, Oklahoma, seeks to expand its designation as a Lifeline only Eligible Telecommunications Carrier ("ETC") to include the Windstream Nebraska, Inc. ("Windstream") service area in Nebraska pursuant to Section 214(e) of the Telecommunications Act of 1996, as amended (the "Act"), 47 C.F.R. §§ 54.101 - 54.207, Title 291 NAC, Ch. 5 and Ch. 10. Notice of the Application was published in The Daily Record, Omaha, Nebraska, on September 5, 2012. No Protests or Formal Interventions were filed; therefore this application is processed pursuant to the Commission's Rule of Modified Procedure.

O P I N I O N      A N D      F I N D I N G S

The Applicant was authorized by this Commission on August 7, 2012, to be an ETC for the limited purpose of participating in the federal Lifeline program and the State Nebraska Telephone Assistance Program (NTAP) in the CenturyLink service area in Docket C-4464/NUSF-81. In that Application, a hearing was held and after reviewing the evidence submitted therein, it was determined that TerraCom satisfied each of the requirements set forth in the Commission's designation rules and applicable federal regulations for designation as a LifeLine/NTAP ETC. The Application was approved unanimously.

In the current Application, TerraCom seeks to expand its ETC designation to areas previously not requested in Docket C-4464/NUSF-81. TerraCom seeks to expand its service territory to include the area served by Windstream. The requested service areas in the application are set forth in the attached **Appendix A** to this Order. The material presented herein to support this Application is substantially similar to the information that was previously reviewed and subsequently approved in Docket C-4464/NUSF-81.

Approving the present application will enable TerraCom to participate in the Lifeline and NTAP programs on a wireless basis in the areas of the state served by Windstream. We find that designation of TerraCom as an ETC for the limited purpose of participating in the Lifeline and NTAP programs in the areas of Nebraska served by Windstream is in the public interest.

Upon consideration of the application, the governing statutes and rules, and being fully informed, the Commission is of the opinion the Application should be granted.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the Application of TerraCom, Inc., should be and it is hereby granted and TerraCom, Inc. is hereby designated as an eligible telecommunications carrier in the non-rural telephone company wire centers set forth in the attached **Appendix A** for the limited purpose of participating in the federal Lifeline program and the Nebraska Telephone Assistance Program as requested in the Application.

IT IS FURTHER ORDERED that TerraCom continue to comply with all applicable rules, regulations and requirements, state and federal as prescribed in Docket C-4464/NUSF-81, and file all related annual reports and certification material required by the Commission's ETC Rules.

IT IS FURTHER ORDERED that TerraCom, Inc. shall file a copy of this Order with the Universal Service Administrative Company ("USAC") and the FCC to commence its participation in the federal universal service Lifeline program as of the date of this Order.

MADE AND ENTERED at Lincoln, Nebraska, this 16<sup>th</sup> day of October, 2012.
