BY THE COMMISSION:

On July 15, 2014, an application was filed by Steve Werner, of Minden, Nebraska, seeking a boundary change to receive telephone service from the adjacent Glenwood Telephone Company Blue Hill exchange in lieu of his current telephone service from CenturyLink. Notice of the application was published in The Daily Record, Omaha, Nebraska, on July 18, 2014.

O P I N I O N     A N D     F I N D I N G S

Glenwood Telephone Company ("Glenwood") and CenturyLink are local exchange carriers holding certificates of public convenience and necessity to provide local exchange service in their respective territories. Steve Werner resides within the boundaries of CenturyLink's Minden exchange, and has requested a boundary change so that he may receive local exchange service from the Glenwood Blue Hill exchange. CenturyLink has notified the Commission that it does not oppose the proposed boundary change.

Changes of a local exchange territory are governed by *Neb. Rev. Stat.* §§ 86-135 to 86-138. Section 86-135 states that only upon non-consent of all telephone carriers involved shall the Commission hold a public hearing in the application. With no protest filed by any party and with each of the affected local exchange carriers consenting to the boundary change, the Commission processes this application administratively and without a public hearing. Glenwood, CenturyLink, and the Commission staff have collaborated and modified the relevant exchange maps to show the agreed upon boundary changes to portions of the Minden and Blue Hill exchanges. A copy of the two exchange maps with the agreed upon revisions is attached as Appendix "A" to this Order and hereby incorporated by reference.

The Commission finds that, in light of the consent between the parties involved, the application is in the public interest and should be granted. It is the expectation of the Commission that the two carriers involved in the boundary change shall collaborate in good faith to ensure that the transition of the

customer's service from one carrier to the other shall be as seamless as possible.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that Application No. C-4694 be, and it is hereby, granted.

IT IS FURTHER ORDERED that the boundaries as shown in Appendix "A" to this Order be, and are hereby made, the official boundaries of CenturyLink and Glenwood Telephone Company

MADE AND ENTERED at Lincoln, Nebraska, this 23rd day of September, 2014.
