O P I N I O N   A N D   F I N D I N G S

I.   The Parties:

Onvoy is a limited liability company organized under the laws of the State of Minnesota whose principal address is in Plymouth, Minnesota. Onvoy is a wholly owned, direct subsidiary of Communications Infrastructure Investments, LLC, a Delaware limited liability company ("CII"). CII has no majority owner.

Onvoy has been providing telecommunications service since 1988. Onvoy provides primarily wholesale local exchange and long distance services, switched access, transit and other services to other carriers. In Nebraska, Onvoy is authorized to provide interexchange telecommunications services pursuant to a Certificate granted in Docket C-2939. Onvoy is also authorized to provide local exchange telecommunications services in Nebraska pursuant to the authority granted by the Commission in Docket C-4455.

Broadvox-CLEC is a Delaware limited liability company and currently a direct subsidiary of BV-Holding, a Delaware

limited liability company. Broadvox's principal place of business is located in Cleveland, Ohio.

Broadvox-CLEC provides access to the public switched telephone network, telephone numbers and other functionalities to its VoIP-provider affiliate and resold local exchange and interexchange telecommunications services pursuant to the authority granted by the Commission in Docket C-4148.

II. The Transaction:

Onvoy and Broadvox-CLEC entered into a Membership Interest Purchase Agreement dated June 10, 2015, (the "Agreement") whereby Onvoy will acquire all of the issued and outstanding membership interests in Broadvox-CLEC. As a result of the direct ownership and control of Broadvox-CLEC, Broadvox-CLEC will be transferred from BV-Holding to Onvoy; ultimate ownership and control will be transferred to CII.

III. Public Interest:

The Applicants stated the proposed transaction is consistent with the public interest. According to the Applicants, the transaction will bring together two successful enterprises that have demonstrated a longstanding commitment to excellence in a highly competitive marketplace. Onvoy expects that the transaction will enable the companies to better meet the local, national and global needs of enterprises, wholesale buyers, and other customers. Customers of the combined company will benefit from the experience of the combined entities.

The transaction will be conducted in a manner that will be transparent to Broadvox-CLEC customers and any future name change or services changes will be preceded by appropriate notices to customers as well as any required regulatory filings. The transaction will not result in any immediate change of carrier for customers or any assignment of authorization, and in no event will it result in the discontinuance, reduction, loss, or impairment of service to customers.

Based on the evidence, we find the application to be fair and reasonable and in the public interest. The application should be granted.
