BY THE COMMISSION:

On September 21, 2015, the Nebraska Public Service Commission (Commission) received an application from Traci Hartley, (Applicant) of Bassett, Nebraska, seeking authority to receive advanced telecommunications services from the Long Pine Exchange of Northeast Nebraska Telephone Company (NNTC) in lieu of her current service from the Bassett Exchange of the Rock County Telephone Company (Rock County). Notice of the application was published in The Daily Record, Omaha, Nebraska, on September 24, 2015.

On September 30, 2015, the Commission received a letter from NNTC stating they were in receipt of the above-captioned application from Ms. Hartley, however, they have declined to provide service to her at this time. Repeated attempts by Commission Staff to contact the Applicant via phone on both a home number and wireless number went unreturned.

Subsequently, on December 1, 2015, the Commission entered an order setting a deadline for action to be taken by the Applicant by **January 8, 2016**. If the Commission did not receive any communication or direction from the Applicant concerning this Application, the Commission would dismiss the application for failure by the Applicant to take timely action.

As of the date of this order, the Commission has received no further response or communication of any kind from the Applicant. Therefore, the Commission is of the opinion and finds that the application should be dismissed.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the above-captioned application be, and it is hereby, dismissed.
