### O P I N I O N   A N D   F I N D I N G S

By virtue of the authority granted by the Commission in Docket C-2904, TeleDias was given the ability to offer interexchange telecommunications services within the State of Nebraska. In an application received on December 21, 2016, TeleDias requested the withdrawal of its Certificate of Public Convenience and Necessity and Tariffs within the State of Nebraska. As of December 2016, TeleDias had ceased all operations. Before termination of business, TeleDias did notify all Nebraska long distance customers of the termination and assisted them with finding another long distance carrier.

Upon consideration of the request and being fully advised in the premises, the Commission finds the request to be reasonable and finds that TeleDias's Certificate of Public Convenience and Necessity to offer telecommunications services and all applicable tariffs should be cancelled.

### O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that Application No. C-4885 is hereby granted, and the Certificate of Public Convenience and Necessity granted to TeleDias Communications, Inc., to offer telecommunications service in the State of Nebraska and all applicable tariffs are cancelled.
