BY THE HEARING OFFICER:

On February 7, 2017, the Nebraska Public Service Commission ("Commission") issued an Order Initiating Show Cause and Setting Hearing. In this order Qwest Corporation d/b/a CenturyLink QC ("CenturyLink") was ordered to produce certain plans and records kept relevant to the testing and inspection of its circuits in the affected exchange on or before February 28, 2017. The Show Cause Hearing was set for March 28, 2017.

On February 23, 2017, CenturyLink filed a Motion for Extension of Time to Produce Records, citing that production of the requested records will require time for personal to sort and produce text explanations of the records.

I find that the Motion for Extension of Time to Produce Records should be granted, and the deadline for records production should be moved to **March 10, 2017**.

O R D E R

IT IS THEREFORE ORDERED by the Hearing Officer that the Motion for Extension of Time to Produce Records, be and is hereby granted, and the date that CenturyLink is required to produce any and all maintenance plans and records kept pursuant to Neb. Admin. Code Title 291, Chapter 5 002.085A in the affected exchange shall be moved to **March 10, 2017**.

MADE AND ENTERED at Lincoln, Nebraska, this 28th day of February, 2017.
