BY THE COMMISSION:

OPINION AND FINDINGS

On or about March 2, 2017, ATC Communications of Arapahoe, Nebraska ("ATC" or "Applicant") filed an application to increase its basic local exchange rates from \$17.50 to \$19.95. Notice was provided as required by Section 86-141(2) and Neb Admin Code tit. 291 ch. 5 § 002.33 to all subscribers who would be affected by the proposed rate adjustment. Such notice was provided on February 22, 2017.

On May 11, 2017, the Director of the Communications Department and ATC entered into a joint stipulation. The parties stipulated the proposed rate increase is fair, just, and reasonable as required by Neb. Rev. Stat. §86-147. The parties noted the rates are consistent with or near the approved benchmark range of \$17.95 to \$19.95 established in NUSF-50.¹ The parties also noted that ATC has not increased its basic local exchange rates since 2001. The stipulating parties agreed a hearing was not necessary unless enough petitions were received to require a hearing.

Based on the foregoing information, the Commission finds that the stipulation should be approved. The Commission further finds the proposed rate should become effective June 1, 2017, absent the requisite number of petitions required to trigger a Commission hearing.

ORDER

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the stipulated agreement between ATC
