BY THE COMMISSION:

OPINION AND FINDINGS

On or about March 2, 2017, Pierce Telephone Company ("Pierce" or "Applicant") filed an application to increase its residential basic local exchange rates from \$17.50 to \$19.95 and its business rate from \$27.50 to \$29.95. Notice was provided as required by Section 86-141(2) and Neb Admin Code tit. 291 ch. 5 § 002.33 to all subscribers who would be affected by the proposed rate adjustment. Such notice was provided on March 1, 2017.

On May 11, 2017 the Director of the Communications Department and Pierce entered into a joint stipulation. The parties stipulated that the proposed rate increase is fair, just, and reasonable as required by Neb. Rev. Stat. §86-147. The parties noted the residential rate is consistent with or near the approved benchmark range of \$17.95 to \$19.95 established in NUSF-50.<sup>1</sup> The parties also noted that Pierce has not increased its basic local exchange rates since 2001. The stipulating parties agreed a hearing was not necessary unless enough petitions were received to require a hearing.

Based on the foregoing information, the Commission finds that the stipulation should be approved. The Commission further finds the proposed rate should become effective June 1, 2017, absent the requisite number of petitions required to trigger a Commission hearing.

ORDER

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the stipulated agreement between Pierce Telephone Company and the Communications Department shall be and it is hereby approved.
