Application No. C-4916

Description of the Transaction:

Pursuant to the Stock Purchase Agreement ("Purchase Agreement") executed among Legacy and Edovo, Edovo plans to acquire one hundred (100) percent of voting equity interests of Legacy. According to the terms of the Agreement, Legacy will become a wholly owned subsidiary of Edovo. Applicants state the proposed transaction will not involve a transfer of assets, operating authority, or customers in Nebraska or elsewhere. Applicants seek to consummate the proposed transaction as soon as practicable.

Applicants indicate the proposed transaction will serve the public interest by allowing the companies to combine complementary services and resources to offer improved service to customers. According to Applicants, combining resources will enhance their ability to compete in this highly competitive market place.

Applicants further state the proposed transaction will have no impact on Legacy's existing customers as Legacy will continue to be managed by the same officers and personnel at the same rates and on the same terms. The only change resulting from the proposed transaction will be that Legacy will be a direct, wholly-owned subsidiary of Edovo.

Based on the evidence, we find the application to be fair and reasonable and in the public interest. The application should be granted.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that Application No. C-4916 be, and it is hereby, granted.

ENTERED AND MADE EFFECTIVE at Lincoln, Nebraska, this 6th day of June, 2017.
