BY THE COMMISSION:

On May 31, 2018, a joint application was filed by TKC Holdings, Inc. ("TKC"), ICSolutions ("ICS"), and Securus Technologies, Inc. ("Securus") (collectively "Applicants"), seeking the approval of the Nebraska Public Service Commission ("Commission") to transfer control of ICS to Securus. Notice of the application was published in The Daily Record, Omaha, Nebraska, on June 5, 2018. The application was granted on July 24, 2018.

By letter dated April 4, 2019, counsel for Applicants informed the Commission that the Applicants have determined not to proceed to close the transactions described in this Application. The Commission therefore finds that the authority previously granted by the Commission to transfer control of ICS to Securus should therefore be rescinded.
