

BEFORE THE NEBRASKA PUBLIC SERVICE COMMISSION

In the Matter of the Application) Application No. E-1912
of Nebraska Public Power District,)
Columbus, Nebraska, seeking author-) GRANTED
ity to construct, operate and main-)
tain an electric transmission line)
in Saunders, Cedar and Wayne)
Counties Nebraska.) Entered: May 23, 2001

BY THE COMMISSION:

Nebraska Public Power District (Applicant), Columbus, Nebraska, by its application filed April 30, 2001, seeks authority to refurbish structures in an electric transmission line in Saunders, Cedar and Wayne Counties, Nebraska, having a voltage in excess of 700 volts.

Applicant proposes to refurbish H-frame structures in a 3 phase, 4 wire overhead, 66.4/115 kv, Wye connected, multigrounded electric line in Saunders, Cedar and Wayne Counties.

O P I N I O N A N D F I N D I N G S

The Commission finds that:

1. Applicant has filed Route Map ND61098 (Exhibit A), which shows the location of the proposed structure, the side of the roadway to be occupied and the location and ownership of all utilities which may be in conflict, crossed or paralleled by the proposed construction.

2. Applicant has filed Specifications (Exhibit B), which will govern this electric line construction and have sufficient details to portray the type and manner of the construction.

3. In the construction, operation and maintenance of the proposed structure, applicant will conform with the requirements of the latest edition of the National Electric Safety Code, the laws of the state of Nebraska and the rules and regulations of the Commission.

4. The Nebraska Department of Aeronautics has filed a letter waiving objections to the proposed construction.

Application No. E-1912

PAGE 2

5. According to the application, the only utilities which may be affected by the construction are:

Northeast Nebraska Public Power District, Wayne, NE
Huntel Systems, Blair, NE
Pierce Telephone Company, Inc., Pierce, NE
Qwest Communications, Corp., Grand Island, NE
Cedar-Knox Public Power District, Hartington, NE

6. According to the application and the Nebraska Department of Aeronautics, there no licensed airports which will be affected by the construction proposed herein.

7. Applicant has filed documents showing the consent of the involved parties.

The Commission, having considered the filings in this matter and being fully advised in the premises, is of the opinion and finds that this application should be granted.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that Application No. E-1912 be granted and that Nebraska Public Power District, Columbus, Nebraska, be, and it is hereby, authorized to construct, operate and maintain the structure in a transmission line in Saunders, Cedar and Wayne Counties, Nebraska, in accordance with its application, Route Map (Exhibit A) and Specifications (Exhibit B), which by this reference are made a part hereof, all subject to the rules and regulations of this Commission and to the terms and conditions of the waivers filed with this application.

IT IS FURTHER ORDERED that an immediate supplemental application be made if it develops that the structure will not be built in its entirety in accordance with the Commission's order. A supplemental application is required for any and all changes in the proposed construction.

IT IS FURTHER ORDERED that if the construction authorized in this order will not be entirely completed within 24 months of the date of this order, applicant shall apply for an extension of time

Application No. E-1912
