Harlan Counties.) Entered: February 4, 2008

BY THE HEARING OFFICER:

On December 27, 2007, Twin Valleys Public Power District ("Twin Valleys") filed an application seeking authority to construct, operate and maintain an electric transmission line in Furnas and Harlan Counties. Twin Valleys requested a hearing on the above-captioned application.

A Hearing Officer order was entered on January 28, 2008, scheduling a hearing in this matter for February 11, 2008. On February 4, 2008, the Commission received a Motion for Continuance from Twin Valleys. Twin Valleys informed the Commission that they have reached tentative agreement with the party from whom they had previously been unable to gain consent. Twin Valleys therefore requests that the hearing scheduled for February 11, 2008, be continued.

Upon review, the Hearing Officer is of the opinion and finds that the motion by Twin Valleys to continue the hearing scheduled on February 11, 2008, should be granted and the hearing in the above-captioned matter continued to a date to be determined later.

O R D E R

IT IS THEREFORE ORDERED by the Hearing Officer that the Hearing in the above-captioned matter scheduled for February 11, 2008, be, and is hereby, continued to a date to be determined later.

MADE AND ENTERED at Lincoln, Nebraska, this 4th day of February, 2008.
