BY THE COMMISSION

On September 30, 1994, the Gnostic Orthodox Church of Jesus Christ in America, (the Church), filed a formal complaint against the above-mentioned parties alleging inadequate service due to omissions in the April 1994 York area directory white pages.

On October 21, 1994, the defendants filed an answer to the formal complaint, as well as a motion to dismiss Lintel Systems, Inc. and Lincoln Telecommunications Company from the complaint as they are not proper parties to the proceeding. In its motion, the defendant asserts Lintel does not provide local exchange service, nor does it publish the telephone directory which is in dispute. Further, Lincoln Telecommunications Company is the corporate parent and holding company of Lincoln Telephone and Telegraph Company and does not provide local exchange service, nor does it publish the telephone directory in dispute.

After due consideration of the motion and being fully advised in the premises, the Commission is of the opinion and finds:

1. Lintel Systems Inc. and Lincoln Telecommunications Company are not proper parties to this proceeding and the motion to dismiss should be granted.
2. Lintel Systems, Inc. and Lincoln Telecommunications Company are dismissed from Formal Complaint 1243.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the defendant's motion to dismiss be, and it is hereby granted.
