On December 13, 1996, McLeod Telemanagement, Inc. (McLeod), MCI Telecommunications Corporation (MCI) and AT&T Communications of the Midwest, Inc. (AT&T) filed a joint motion for rehearing in the above entitled matter. An oral argument was held on the motion on January 10, 1997 in the Commission Hearing Room, Lincoln, Nebraska with Commissioner Rod Johnson chairing the proceeding.

The Commission received no persuasive evidence at the oral argument to find its previous ruling, entered on November 25, 1995, in error. Therefore, the motion is denied and the Commission's previous Order is affirmed.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the motion for rehearing is denied.
