BY THE HEARING OFFICER:

The Nebraska Public Service Commission initiated the above-captioned docket on November 26, 2002, seeking to investigate the audit requirements related to the Nebraska Universal Service Fund (NUSF), by requesting public comments on or before January 24, 2003, and setting a public hearing on this investigation.

On January 23, 2003 Qwest requested an extension of time to file its comments. Upon consideration of this request, I find that additional time should be granted for all interested parties. The deadline for public comments will be extended to January 29, 2003.

O R D E R

IT IS THEREFORE ORDERED by the Hearing Officer that the comment cycle be extended and the deadline for filing comments pursuant to the Commission's November 26, 2002 Order shall now be January 29, 2003.

MADE AND ENTERED at Lincoln, Nebraska this 23rd day of January, 2003.
